

# DOI Registration Manual

ETH Zurich's DOI Desk is the DOI registration office for Switzerland's university and research sector.

It enables providers of publication services to register DOI names for digital objects, e.g. research reports, dissertations, research data, digitized images etc., on the internet.

ETH Zurich DOI Desk is a service provided by [ETH Library](#), in cooperation with [DataCite](#) and with technical support from [IT Services of ETH Zurich](#).

The Registration Manual explains the requirements for becoming a client of ETH Zurich's DOI Desk.

It gives detailed information on metadata and content-related requirements, as well as the technical process for registering DOIs.
